The Mistas Rubber Works, Nationalized Corporation, located in Prague XX, Zahradni Mesto 1900, was formerly a branch of Pneu Michelin and is now a part of the Rubena Rubber Works, National Corporation, which has its headquarters in Machod (051/G 93). Other plants of the Rubena Corporation are located at:

- a. Decin (Tetschen - N51/F 56) - Vulkan Rubber Works.
- b. Dolni Kralovice (050/M 34) - Jirsak Rubber Works.
- c. Holice (unlocated) - formerly the Jaroslav Hroch Medical and Surgical Rubber Goods Company.
- d. Hradec Kralove (Königgrätz - 051/G 71) - formerly the J. Hakauf and Sons Rubber factory.
- e. Hradek nad Nisou (051/G 61) - formerly the Veritas Rubber Works.
- f. Hronov (051/G 94) - formerly the Standart Rubber Plant.
- g. Melnik (051/F 71) - formerly the Haro Rubber Plant.
- h. Miletin (051/G 63) - formerly the Ing. Emil Celba Rubber Plant.

2. Some of the leading personnel at the Mistas Rubber Works are:

- a. Director Frantisek Silny, about 55 years old, and a Communist.
- b. Production Manager fnu Slanina
- c. Chairman, Workers Council fnu Kliner, a fanatical Communist.
- d. Personnel Manager fnu Tichy, about 37 years old.

3. Nearly 1,000 employees work at this plant and turn out 2,000 tires a day. The plant is to be enlarged, at which time 2,500 workers will be employed, and the authorities hope that 4,000 tires a day will then be produced.
